

Architectural floor plan of a long, narrow building. The plan is divided into two main sections by a dashed vertical line. The left section contains several rectangular rooms and corridors, with a central vertical corridor. The right section is a long, narrow hall with a series of rectangular rooms along the right wall. Dimensions are provided along the top and bottom edges: -0.30, +0.00, and +0.28. A vertical dimension of +12.96 is also shown.

This architectural floor plan depicts a rectangular classroom. The room is oriented horizontally. On the left side, there is a long wall with a door at the top-left corner. Along this wall, there are two long rectangular tables, each with four chairs on the left side. A small rectangular table is positioned near the bottom-left corner. In the center of the room, there is a long rectangular table with four chairs on each of its long sides. On the right side, there is a long wall with a door at the top-right corner. Along this wall, there are two long rectangular tables, each with four chairs on the right side. A small rectangular table is positioned near the bottom-right corner. The plan includes dimensions: 10.30m for the width and 12.96m for the length. A scale bar is located at the bottom right, showing 0, 5, and 10 meters. A north arrow is located at the bottom left, pointing towards the top of the page. The text 'TABL. EL.' is written near the small table at the bottom-left.
